Xfinity Mobile launches Mobile Plus and Mobile Select, two new wireless plans designed to give customers premium features without the premium price, hidden fees or tradeoffs. As part of Xfinity Mobile's most significant product expansion to date, for the first time, customers on the Mobile Plus plan can get Lifetime Device Protection, Device Upgrades anytime, and global travel pass included in one simple plan.

key benefits like unlimited data, global travel access, and fast speeds.

Both plans are built on Xfinity Mobile's converged network, with more than [23 million WiFi hotspots and the nation's most reliable 5G network](#), which together deliver fast, consistent performance where customers live and travel. With more features included, Xfinity Mobile makes wireless simpler and more affordable.

"For too long, wireless customers have had to choose between paying more for premium features or settling for less; that's exactly what Mobile Plus and Mobile Select are here to change," said Kohposh Kuda, SVP, Consumer Product Marketing at Comcast's Xfinity. "We created these plans to give customers greater simplicity and flexibility. And with Mobile Plus, we are bundling the features customers value most like Lifetime Device Protection, Device Upgrades anytime for eligible customers, and Global Travel Pass all in one monthly price, so they can have true peace of mind and save up to 50% on their mobile bill."

Xfinity Mobile plan highlights:

- Two plans: Mobile Plus and Mobile Select
- One monthly price with no hidden fees
- Mobile Plus includes Lifetime Device Protection for phones, tablets and smartwatches, Device Upgrades anytime, and Global Travel Pass
- Access to more than 23 million WiFi hotspots + America's most reliable 5G network
- Customers can save up to 50% vs. major wireless carriers
- Speeds up to 1 Gig on Xfinity WiFi with WiFi PowerBoost

Xfinity Mobile created Mobile Plus and Mobile Select plans in response to what customers increasingly want from wireless: simpler plans, more included features, greater protection, and fewer surprise charges. **Mobile Plus** and **Mobile Select** include:

Mobile Plus

- **Lifetime Device Protection**
- **Device Upgrades anytime**
- **4K streaming**
- Unlimited talk, text and premium data
- Global Travel Pass
- WiFi PowerBoost

Mobile Select

- Unlimited talk, text and 50 GB of premium data
- Global Travel Pass
- High-def streaming
- WiFi PowerBoost

- **Mobile Plus** is a first-of-its-kind premium plan built to eliminate common pain points in wireless: extra fees, device upgrade restrictions, and add-on protection.
- **Mobile Select** is designed for customers who want essential features in a plan without sacrificing

\$45 per month, per line

\$30 per month, per line

Mobile Plus: A new model for premium wireless

Mobile Plus is a first-of-its-kind premium plan that includes Lifetime Device Protection for phones, tablets, and smartwatches against damage, loss and theft. Historically offered as an optional, time-of-purchase add-on with ongoing monthly fees, device protection is now included with Mobile Plus at no additional cost for both Xfinity-purchased devices and BYO devices.

The plan also includes Device Upgrades anytime for eligible customers, letting customers upgrade throughout their tenure - no inspections and no trade-ins. Whether a device is worn, damaged, or no longer meets their needs, this plan makes upgrading fast and convenient.

Mobile Select: Simple value with more built in

Mobile Select is built for customers who want essential features they use most including unlimited data, high-def streaming, and fast speeds at an affordable price.

With Global Travel Pass included in both plans, customers can stay connected across 215+ international destinations without purchasing separate travel add-ons or worrying about surprise charges abroad. And with [WiFi PowerBoost](#), all Xfinity Mobile plans deliver speeds of up to 1 Gig when connected to Xfinity WiFi at home and across millions of hotspots nationwide, giving customers fast, seamless connectivity where they live, work, and travel.

Savings

Customers who switch from the three largest U.S. wireless carriers can save up to 50% on their monthly bill. Eligible Xfinity Internet customers can also receive a free line of Xfinity Mobile Select. Customers can estimate their savings using the [Xfinity Mobile Savings Calculator](#).

Availability

Mobile Plus and Mobile Select are available to new and existing Xfinity customers beginning **April 22, 2026**. Existing customers can switch to the new plans in the Xfinity app, and new customers can sign up at xfinity.com/mobile.
