**Explanation of Responses:**

- With respect to the number of shares set forth in Column 7, this option is immediately exercisable.
- Each share of phantom stock represents the economic equivalent to one share of Class A common stock. Phantom shares have been deferred under our deferred compensation plans, will settle in cash and may be transferred into alternative investments under the terms of our deferred compensation plans.
- The Reporting Person has elected to notionally reinvest previously deferred compensation into another deferred compensation plan investment.
